SICOLAB mini

SICOLAB mini complements the soundproofed SICOLAB series from Dürr Technik and convinces with a modern design and an extremely low noise level. SICOLAB mini has been especially developed for laboratories - the unit operates without disturbing the workflow and the employee's concentration. The plug-and-play oil-free compressor unit with an integrated carrying handle ensures minimum maintenance effort and maximum flexibility.

Benefits at a glance:

- **Approx. 30% more performance and faster tank filling in comparison to previous model „Silent Air System“**
- **Maintenance-free compressor**
- **Silent start-up**
- **Easy operation by plug-and-play**
- **Modern design**
